Gentlemen:

I am writing to you as librarian of the Hapoel Hamizrachi of Baltimore. The library is a new undertaking, and we hope to make it a source of Jewish cultural, social, and religious material for the use of the leaders and affiliated youth groups.

I should appreciate any help you may offer in the way of publications, articles, suggestions, etc. Please let us hear from you as soon as possible so that we may get our library into working order in a minimum amount of time.

Respectfully yours,

Herbert C. Zafren
