

COMMENTARIES

Dear Bella,

*I've finally had an opportunity to read through Volume 2, Number 1-2 of *Judaica Librarianship* and I'm writing to congratulate you. It is certainly a job well done and I can imagine the wide range of articles being useful to a large number of different audiences. We certainly should get a subscription at Garland and I would appreciate it if you could send us the appropriate forms.*

*All the best,

Dear Marcia and Bella:

*I am writing to tell how much I appreciate receiving *Judaica Librarianship*, whose every issue I find to be useful, informative, and attractive. As a matter of fact, I was tempted on more than one occasion to lift one or two of your articles for the *Jewish Book Annual*.*

Because of its usefulness to everyone in the field of Jewish books, your magazine should appear on a more frequent basis. I wish you and your staff my congratulations for this fine journal.

*Sincerely,
Dr. Jacob Kabakoff
Editor, *Jewish Book Annual**

The editors of *Judaica Librarianship* gratefully acknowledge a generous grant from the I. Edward Kiev Library Foundation in support of the publication of this issue.
